

Department of Transportation

Monroe County, New York

Maggie Brooks
County Executive

Terrence J. Rice, P.E.
Director

September 7, 2006

To Our Neighbors in Clarkson:

The Monroe County Department of Transportation is currently in the final design phase for three bridge replacement projects in the Town of Clarkson, to be **constructed in 2007**. Particular information for each project is listed below. The projects will progress on similar schedules and will involve closures of the road to through traffic at each location during the same time period. Residents on the east and west sides of each of the work areas will still be able to access their homes by utilizing the posted detours. Construction on each project is scheduled to start in Late Spring 2007 and be completed by Fall 2007. There will be advance notification of the road closures via mailings to residents near the bridges and via signs posted at the project locations approximately ten days prior to the start of construction.

Gilmore Road Bridge Replacement

Project Location: Gilmore Road between Darla Drive and Scarlett Pine Circle
Project Detour: Lake Road, Lawton Road, Sweden-Walker Road
Monroe County Contact Information: Karen Cox, Project Manager
phone: 753-7742
